Two-day training camp at Wellington Riding

Book each session to make the most of two days of training.

Why not join us for our inaugural summer camp date? The two days are designed to spend some time away developing yourselves and your horses. Bring your horse, hire a stage 4/5 horse from Wellington Riding or spectate over the two days. We have a variety of sessions to choose from, BE Performance Manager, Richard Waygood, will be running some 45-minute semi-private jumping sessions, also some group XC training. Nereide Goodman, List 1 judge will be working with riders through test riding from a judge's perspective. Robert Pickles FBHS, will be running some mock Fellowship sections to give a practical insight into the day. Members will also form study groups throughout the two days and take advantage on what's on offer.

Demo arranged at the onsite Equine Rebalance Therapy Centre, watch a horse working on the water treadmill and discuss the biomechanics and related benefits to developing global strength.

“looking forward to spending time with colleagues”
