

Irish Trip - Day 1

Visit to Cian O'Connor and Gavin Cromwell

Tuesday 10 June 2025 10:00-16:00

This year for the first time we will have a two day Irish event. We start off visiting the legendary Karlswood, Batterstown Co.Meath, A86WV56 high performance centre where their core values are that “Success is a reward for effort!”. Here we will see Cian O'Connor's Meath home base with state of the art facilities and all the supportive structures for the development of young riders.

We will also visit Gavin Cromwell, Balrath, Co.Meath, C15DKD5 a prominent racing trainer transitioning from farriery to training in 2005 having his first winner “*Dodder Walk*” only two years later. He recorded a notable Grade 1 double at the 2021 Cheltenham Festival winning the Stayers' Hurdle with “*Flooring Porter*” and the Albert Bartlett Novices' Hurdle with “*Vanillier*”. He made history in December 2024 with the first ever Irish trained winner in Bahrain with “*Snellen*”.

This promises to be an informative and interesting day looking at both the sport horse and thoroughbred industry.

***Members £35 and non-members £45** to be paid direct to the F&I Treasurer
F&I BANK DETAILS: Lloyds Bank | Sort Code 30-94-93 | Account: 00472754

Lunch will be organised at your additional expense.

This promises to be an informative trip. If you are interested please email:

Irish Trip - Day 2

“Elevating Jump performance”

Dr. Angelo Telatin FBHS and Brendan Bergin BHSI

Wednesday 11 June 2025 10:00-16:00

Coilóg Equestrian, Crosspatrick, Kilmeague, Co. Kildare is W91 CTR2

In this era of advancing our sustainable equitation and an ever aware equestrian and non equestrian public we have to look at new ways to improve performance in our horses with a positive ethical way forward. Evidence based training which stands the competitive test as well is becoming more and more pivotal to the future of our sport.

Angelo is a world leader in practical learning theory and brings his experience show jumping to offer a unique training perspective famed for competing in the US with a neck bridle. Brendan bridges the gap between science and practice to provide insights into how horses learn and move equipping riders with the tools to implement effective, humane training methods.

The day will look at work through the levels using horse centred evidence based training to boosting performance in horse and rider.

To book day 2 please use Ticket Tailor €41.50 (Approx £34.30):
